

## Harvard – Stow Boundaries

Bound HS#1 (#31)

Bolton-Harvard-Stow corner. Same as SB #4. Go through gate to dam from Harvard Road. (Contact Stow Police for key.) Proceed over dam and follow roadway down past the turn-around down onto large field/spillway. The bound is a large stone, looks as if top had broken off, at about 4" above ground level. (The top of the bound is appears to have been glued back on at one time, and is now reported to be in the Bolton town garage.) Several 4-6 inch diameter stones are piled on south side of marker It is about in the center of the large level spillway. From the bottom of the turn-around west of dam, go west 112 paces. Or from bottom of bank before woods on west side of field, walk 97 paces on a course of 100°. From dirt road going east/west across the field, walk 36 paces on a course of 210°. (Wayne Erkinen, Linda Hathaway, or Ross Perry may be needed to locate this bound)

Waypoint BHS, 42,26.838, -71,32.935  
Found 10/27/2002, 4/22/06

The next three pictures are taken from different positions, to help with future locations.
